Holiday Windows

Happy Holidays!

Welcome to 2016's final edition of the *USA Philatelic*. What a year this has been! The once-a-decade World Stamp Show was clearly a philatelic highlight. Through the focused energy and commitment of our Stamp Services team, an 8,000 square foot cutting-edge, digital-savvy booth informed and entertained an international audience for eight days, showcasing innovation and technology by introducing the first ever official stamp app and the first ever *eGuide to U.S. Stamps*, an augmented reality Souvenir Portfolio and eight spectacular stamp issuances. We were very proud to introduce the world of digital to the Postal Service's lineup of philatelic products at the World Stamp Show. If you were unable to make the Show, be sure to experience it through the Souvenir Portfolio, available on page 14.

The excitement of the holiday season now takes precedence, and the Postal Service is already set to ease the strains of seasonal gift-giving. Holiday Shipping Made Easy lets you be your own postal clerk and arrange all your package shipments from home! Create your own USPS.com® account, order free shipping supplies, create your own labels with Click-N-Ship, and schedule a USPS package pickup — it couldn't be easier! See pages 11 through 13 for details on Holiday Shipping Made Easy from the U.S. Postal Service.

All of us at Stamp Services look forward to enhancing your experience with the *USA Philatelic* as we enter the New Year. More content, varied topics and personal insights will grace these pages moving forward. We also hope to expand your digital collecting experiences with updates and improvements to the new USPS StampApp, and the 2016 *eGuide to U.S. Stamps*. As always, we welcome your thoughts and suggestions, and wish you the best for a happy holiday season.

Every Day's a Stamp Day!

DUCK STAMPS

More than keepsakes for stamp collectors and outdoor enthusiasts, Federal Duck Stamps add up to a big investment in conservation. Nearly all of the proceeds of these stamps, issued by the U.S. Department of the Interior, help protect bird and wildlife habitats. Also serving as hunting licenses for waterfowl hunters, duck stamps feature artwork selected annually through a juried art contest open to the public.

Panels

Commemoratives are a special stamp classification that honors significant people, dates, historical events, or symbols in our nation's history. A commemorative panel includes expanded narratives about each stamp subject plus mint stamps in acetate mounts. It may also include engraved artwork. Easily mounted in an album or frame, the 8 ½ x 11 ¼-inch panels are great for adding to a specialized collection or compiling on their own.
